## Trail Description

The Northshore Trail is a single track, natural surface trail which begins at Rockledge Park and winds westward along the lake shore through Murrell Park to end nine miles later at Twin Coves Park. The trail is located on flood control lands and there is a possibility of flooding. Visitors may see a variety of wildlife and seasonal wildflowers while enjoying the trail.

## Useful Information

- The trail is approximately 19 miles out and back.
- The trail is considered to be at an intermediate level of difficulty for bicyclists.
- In the event of an emergency, call 9-1-1 or contact the Flower Mound PD at 972-539-0525.
- The trail has three access points with parking: the trailhead at the entrance of Twin Coves; midpoint at Murrell Park, and the trailhead at Rockledge Park.

## Trail Rules

- All pets are required to be on a leash.
- Glass bottles and alcoholic beverages are prohibited on the trail.
- Camping and groundfires are not allowed on the trail; developed camping areas are located nearby.
- No day use in Twin Coves Park.
- Rockledge Park closes at 9 PM; vehicles may be towed at owner's expense.
- Yield to pedestrians at all times.
- Please carry out as much as you carry in so that others may enjoy the trail.
- The trail is closed to cyclists when it is wet.
- The Northshore Trail is for bicyclists and hikers; motorized vehicles and horses are not allowed.

## Volunteer Service

Upkeep and maintenance of the Northshore Trail is accomplished by many hours of volunteer service. If you are interested in joining this effort or want additional information, please contact the trail coordinator at the Elm Fork Project Office, 469-645-9100.
